of the Polish flag ?**

Red and white

**What is the
longest river in
Poland ?**

The Vistula river

**How many
referees are on
the pitch during
the match ?**

1

**Can a substitute
player get the red
card during a
match ?**

yes

**How long does the
overtime last in a
match ?**

30 minutes

**What is the
perfect blood
pressure ?**

120/80

**What is the longest
muscle in the human
body ?**

Sartorius

**How many cervical
vertebrae are there
in human spine ?**

7

The human being consumes on the average 5 litres of air per minute.

How much air will be consumed during one one minute by a class composed of 20 students ?

100 L

What is the capital of France ?

Paris

**Sprinter ran the distance of 200 m.
He accomplished the first hundred
meters in 18,3 s and the other
hundred meters 1,3 s faster.**

**What time did he score during that
run ?**

35,3 s

**The human heart pumps 5 litres
of blood per minute.**

**How many litres of blood does
the human heart pump during
one day and night ?**

7200 L

**What are the
colours of the
french flag ?**

***Blue, white and
red***

**What is the
name of the
french anthem ?**

***It's the
Marseillaise.***

**What is the
name of the
longest bone ?**

It's the femur.

**Give the other
name for the
bones of the
spine. *Vertebra***

**Give the name of
a famous
sprinter.**

Usain Bolt

**What is the
length of a
marathon ?**

42, 195 KM

**Give two
disciplines of
Athletics.**

*Sprint, Pole vaulting,
Long jump, High
jump, Hurdle jump*

**How many players
can play in a game
of mini-basket ?**

6 players.

**The athletic stadium
measure 400 m. If I did 5
turns.**

How many metres I did ?

2000 meters.

A marathon is 42,195 Km.

**I have already made 25
Km.**

**How many Km I'll have to
do to finish ?**

17,195 Km

**How many
players can play
on a mini
basketball
team ? *10 players***
